Vintage-style Gallery - Barnard Castle

At our Barnard Castle store, we have opened a brand new vintage-style gallery this summer, with an extensive range of sofas, armchairs, & occasional chairs, available in a wide collection of high end British wools, luxurious velvets and fine aniline leathers. Featuring Union Jack themed sofas, chairs, coffee and lamp tables and Harlequin patchwork sofas, armchairs and dining benches. To compliment these, we have an interesting mix of rustic and contemporary dining and occasional cabinet pieces and unusual accessories.

This brochure shows just a small selection of the offers available, so pop into one of our stores to find out about all the others - our friendly expert team will be happy to help you.
